

---

Lilleodesigns started in  
2011 in The Gambia by  
Isatou Ceesay.

---

---

**Blue bomber jacket:**  
perfect for cold weather.  
Front zipper, elasticated  
waistband and sleeve  
cuffs. Fits a range of  
sizes

---

---

**Orange\turquoise long  
coat:**

open front, can be paired  
with jeans or dresses.

Good for cold weather.

Fits all sizes.

---

---

**Blue\yellow high/low blazer:**

can be worn with a skirt, dress or jeans with buttons opened or closed. Long back tail compliments the woman's figure to appear taller.

---

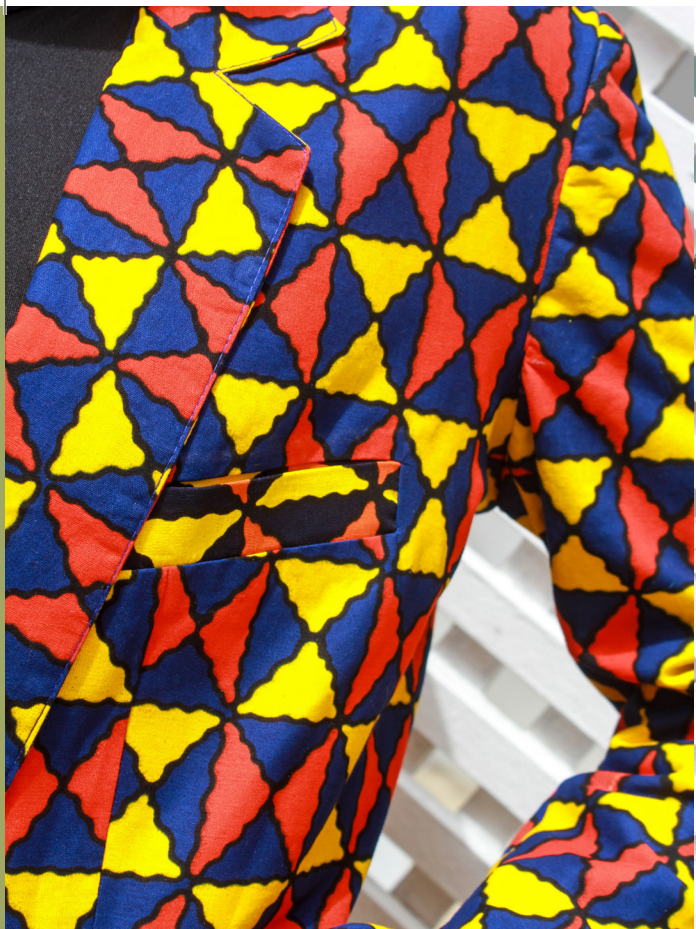

---

**Blue\yellow boyfriend  
blazer:**

can be worn casually for  
day or dressy for night.  
Convenient front pockets  
and single button. Great  
for summer and spring.

---

---

**Orange\yellow single collar blazer:** creates a chic look when paired with a pencil skirt or tailored pants. Single collar can be flipped up to change the neckline creating a more edgy look.

---

---

**Tea length taffeta pleated black skirt:** can be worn with a wide range of tops and shirts. Works for a professional setting as well as evening wear. It has side pockets and a thin high-waist band, comfortable and complimentary for all body shapes and sizes.

---

---

**Multi-coloured wrap dress:** the silhouette of this dress is very flattering. The neckline works for any breast cup size and can be worn without the belt. Light cotton fabric drapes beautifully. Perfect for hot summer days or nights.

---

---

**Sleeveless knee-length print dress:** Gathered waist line creates the illusion of a flat tummy. Side pockets and no sleeves makes this the perfect summer dress.

---

---

**Turquoise\gold open coat:** this coat add a bold silhouette to any outfit. Can be paired with any kind of dress or with jeans. Big gathered sleeves and visible pockets draw attention to stand out in the crowd. Works for all seasons.

---

---

**Green mini tuxedo dress:** this dress is 100% fashion forward. The flattering silhouette is a bit wider around the hips for an hourglass fit. The asymmetrical hemline is subtle and interesting and the closure of the collar is sleek and simple.

---

---

**White cape kaftan:** this can be worn on holiday, to weddings or religious events. Fits all sizes and body types. The cape illusion compliments the woman's shoulders. Comes with a head scarf to tie as desired.

---

---

**Pink open front cape kaftan:** can be worn to the pool or beach with a bikini as a cover up. Can also be worn with tights or a dress inside to fit any occasion. The silk fabric is comfortable and flattering on the body.

---

---

**Black tea-length dress with print detailing:** perfect statement dress to stand out in a crowd. The crew neck and frill cut sleeves gives it a playful look while the textured stretch fabric accentuates the woman's curves. The placement of the African print gives the illusion of an hourglass figure.

---

---

**Clay off-shoulder mid-length dress with print detailing:** this dress draws attention to the beautiful balloon cut sleeves. The African print detailing adds a subtle pop of drama to the look. The textured stretch fabric hugs the body.

---

---

**Silk halter cowl-neck  
backless top:** this top is  
perfect for nights out. The  
cowl neckline gives the  
illusion of a bigger breast  
cup size while also hiding a  
belly bump. The sexy open  
back is finished with a long  
attached belt to tie around  
the waist.
