INTRODUCTION

With funding from the European Union Emergency Fund for Africa (EUTF), the Tekki Fii implementing partners have supported 40 youth entrepreneurs and youth-led organisations with stalls and visibility materials at the 14th GCCI Trade Fair Gambia International. This support is geared to promote youth representation and participation for sustainable economic development.

THE YOUTH PAVILION

The Youth Pavilion at the Trade Fair houses a wide range of products, services and innovations from young entrepreneurs determined to make it in The Gambia.

THE SKILLS VILLAGE

The Skills Village offers a range of sector trades from construction technologies, information communication technologies, processing, tourism and more to promote skills ventures for youth empowerment and economic growth.

ABOUT TEKKI FII

The “Make it in The Gambia-Tekki Fii” is a program that aims to improve economic development and future prospects for Gambia’s youth, including returning migrants, by promoting attractive employment and income opportunities. Moreover, the objective is to support the Government to boost economic development with a focus on generating training, entrepreneurship, employment and access to finance opportunities for Gambians.

The Tekki Fii campaign is a movement by Gambians, for Gambians. It is about helping young people in the country to see the benefits of choosing to ‘make it’ at home.

This project is funded by
the European Union

ABOUT THE FUNDER

The European Union Emergency Trust Fund for Africa (EUTF) supports all aspects of stability and contributes to addressing destabilization, forced displacement and irregular migration in particular by promoting resilience, economic and equal opportunities, security and development, and the improvement and implementation of planned and well-managed migration policies. The EUTF aims at improving living conditions in Africa. It seeks to help people live in a peaceful and stable environment, and to work in dignity.

ABOUT THE IMPLEMENTING PARTNERS

International Trade Centre

The International Trade Centre (ITC) is a joint agency of the World Trade Organization and the United Nations. ITC assists small and medium-sized enterprises in developing and transition economies to become more competitive. Under the Tekki Fii Programme, ITC is implementing the Youth Empowerment Project (YEP).

GIZ

The Deutsche Gesellschaft für Internationale Zusammenarbeit (GIZ) is a German development agency that provides services in the field of international cooperation for sustainable development. The Tekki Fii component implemented by GIZ International Services is targeting youth and youth-led small businesses through skills training and business development.

IMVF

Instituto Marquês de Valle Flôr (IMVF) is a foundation for development and cooperation based in Lisbon. Established in The Gambia in 2018, IMVF is implementing a three-year project targeting the youth and women of North Bank Region, Central River Region, Lower River Region and Upper River.

ENABEL

Enabel is the development agency of the Belgian federal government, implementing and coordinating Belgium's international development policy. Enabel's intervention in The Gambia through the Rural Infrastructure for Economic Growth is designed to support socioeconomic development and positive prospects for local populations and returning migrants.
