Supported by the Tekki Fii Programme

Introduction

With funding from the European Union Emergency Fund for Africa (EUTF), the Tekki Fii implementing partners is supporting youth entrepreneurs and youth-led organisations with stalls and visibility materials at the 15th GCCI Trade Fair Gambia International. Since 2018, Tekki Fii has consistently supported entrepreneurs at the Trade Fair Gambia International to promote youth representation and participation for sustainable economic development.

About Tekki Fii

The “Make it in The Gambia - Tekki Fii” programme aims to improve economic development and prospects for Gambia’s youth, including returning migrants, by promoting attractive employment and income opportunities. The objective of the programme is to support the Government boost economic development with a focus on generating training, entrepreneurship, employment, and access to finance opportunities for Gambians.

For more information visit: www.tekkifii.gm and www.ysd.gm

About the Funder

The European Union Emergency Trust Fund for Africa (EUTF) supports all aspects of stability and contributes to addressing destabilization, forced displacement and irregular migration by promoting resilience, economic and equal opportunities, security and development, and the improvement and implementation of planned and well-managed migration policies. The EUTF aims at improving living conditions in Africa.

For more information visit: www.ec.europa.eu/trustfundforafrica

About the Implementing Partners

International Trade Centre

The International Trade Centre (ITC) is a joint agency of the World Trade Organization and the United Nations. ITC assists small and medium-sized enterprises in developing and transition economies to become more competitive. Under the Tekki Fii Programme, ITC is implementing the Youth Empowerment Project (YEP).

For more information: visit www.intracen.org and <http://www.yep.gm>

IMVF

Instituto Marquês de Valle Flôr (IMVF) is a foundation for development and cooperation based in Lisbon. Established in The Gambia in 2018, IMVF is implementing the Tekki Fii programme targeting the youth and women of North Bank Region, Central River Region, Lower River Region and Upper River.

For more information: visit www.imvf.org

Enabel

Enabel is the development agency of the Belgian federal government, implementing and coordinating Belgium's international development policy. Enabel's intervention in The Gambia through the Rural Infrastructure for Economic Growth is designed to support socioeconomic development and positive prospects for local populations and returning migrants.

For more information visit www.enabel.be

YOUTH PAVILION

The Youth Pavilion at the Trade Fair Gambia International, supported by the Tekki Fii programme, houses a wide range of products, services and innovations from young entrepreneurs determined to make it in The Gambia.

SHE TRADES PAVILION

The SheTrades Pavilion provides a stop for a variety of products and services by the finest women owned business in The Gambia. The various companies centred on fashion and agro processing offer products ranging from locally crafted accessories, natural cosmetics to mouth watery food options.

For more information about the SheTrades Hub Gambia, contact shetradesgambia@intracen.org

About the SheTrades Hub Gambia

The SheTrades Hub Gambia was launched in 2021 as continuation of the SheTrades Gambia Project. The project looks back at 3 years of very successful interventions for economic women empowerment. The project helped securing over 3 million USD worth of investments and business transactions for women entrepreneurs, improved the capacity of 5 Business Support Organisations, and trained 1,020 women for more competitiveness.

The SheTrades Hub is implemented by the Ministry of Trade, Industry, Regional Integration & Employment (MOTIE). MOTIE works closely with the International Trade Centre and key public and private stakeholders to facilitate the establishment of a conducive business environment for women entrepreneurs.

How can women-owned businesses benefit?

- Enhance your visibility and get connected with buyers, investors, suppliers, and business support organizations.
- Increase your skills and knowledge to grow your business through webinars, online training, and face-to-face workshops.
- Receive support to participate in regional and international trade fairs.
- Connect to potential buyers, investors, suppliers, and business support organizations.
- Learn new skills to enhance international competitiveness through our free e-learning courses, on-site workshops and webinars.
- Access to investment opportunities.
